

Glam Hens Package

@ THE OLD DEANERY

Where city glam meets country chic

Glam Hens Package

Based on at least 12 people booking the price of €75 per person includes:

On-location Make-up Makeover with a professional makeup artist

This includes full make-up application, and also individual recommendations and advice on product, application and colour. Our makeup artist will happily give advice in terms of a look for the wedding where needed. If hens want false eyelashes (a hot look at the moment) they can bring their own and the makeup artist will fit them free of charge. If you want to opt for lashes on the day, your makeup artist can supply them for an extra charge of €10 per person.

Enjoy a glass of bubbly and fresh Wexford strawberries during your makeover as part of your package!

On-location Hair Styling with a professional stylist

This includes a blow dry, curls and/or up-style. Any style from funky and edgy to more classic styles can be accommodated. Our stylist can provide advice on a specific hair style the ladies might want to try out on the wedding day. This is a great chance to perhaps try something totally different - and have fun!

On-location Photoshoot with a professional photographer

The Barn is converted into a professional photographic studio for individual photoshoots. The gorgeous grounds of the Old Deanery can also be used as a backdrop, weather depending. Remember we reserve the entire property for your party so you have totally privacy. Each individual can bring 2 outfits for their photoshoot if they like - from formal/cocktail dresses to tutus and t-shirts - let your shoot reflect your style!

The fun doesn't end when the weekend is over!

What you get to keep from the weekend:

Approx a week later, each individual will receive via email two high resolution digital portraits per person and one high resolution group photo - each including professional digital finishing and retouching. As a special keepsake of the weekend, the bride will receive all the finished pics on disk (This will include her 2 finished shots, the 2 finished shots per hen and the group shot).

Additional information

During the Glam Hens day, guests are encouraged to arrange their own catering of fingerfood and/or a light lunch during the day. Since the entire property will be reserved for the hen party - everything is totally private. Picnics are encouraged - weather permitting of course! Feel free to bring your own bubbly and treats to enjoy throughout the day.

Taxis to and from local restaurants/pubs/nightclubs can be arranged after the photo shoot to show off your glam new look! Or feel free to stay and cosy up in one of the cottages for girly chats over more food and wine.

Extras

The Glam Hens Package at the Old Deanery is an outstanding day and our basic package is generous... but who can resist adding just a few extras?

Personalised Photobooks

This will include everyone's finished shots, the group shot, out-takes of photos from the day, and personal messages to the bride - written on the day of the photoshoot. This keepsake will arrive approx 2 weeks after the hen party. If at least 5 books are ordered, all the photos used in the book will be supplied on disk for the bride, so they can be put in a slide show at the wedding if desired. Why not let everyone see what a fab and glam hen party you had?

Price: €20 per book including delivery in ROI, minimum of 5 books must be ordered

The Glam Hens Package is brought to you in association with BeautyTeam Freestyle Studio - a winning contestant on The Dragon's Den in 2011. They bring a level of professionalism and pizzazz that will make your hen party something truly unforgettable!
